SCHOOL FEES POLICY AND PROCEDURE

Jack & Jill School is keen on providing a holistic educational experience for Pupils from diverse backgrounds, through charging affordable fee.

Parent's Responsibility

When enrolling Pupils at JACK & JILL SCHOOL, parents are advised of the fee structure. It is important that parents understand and commit themselves to fulfilling fee obligations. The seriousness of this commitment cannot be overemphasized and parents must understand that the school is a commercial institution in addition to being educational. It only relies on fees to meet its obligations as well as maintain its relevance. Parents who enroll their Pupils at JACK & JILL SCHOOL assume a moral and legal obligation to pay school fees. It is also the responsibility of parents to notify the School Management if they are experiencing any difficulty with payment of fees. JACK & JILL SCHOOL will periodically advise parents of the fee structure which may include discounted fees (*if any),* normal fee or even late fee which amount is arrived at by the Board at its own discretion. **Discounted fees will however not be available to new pupils or beyond the stipulated dates.** The School's priority is to ensure an enabling environment to meet our obligation in discharging our duty in delivering the relevant curriculum to the pupils enrolled at Jack and Jill School. Parents ought to understand that in the absence of fees or even late payment, the school will be forced to borrow so as to meet the day to day needs of the **pupils**. A key priority for the school remains to deliver the curriculum and not to engage in debt collection or even settle the crippling debts owed to lending institutions or suppliers. As such JACK & JILL SCHOOL shall ordinarily offer discounts to Pupils as an incentive to making parents pay fees early. On the other hand, penalties are to discourage late payment and address any such charges arising from the need to borrow funds to provide for the pupils who pay school fees late.

School Board Responsibility

The JACK & JILL SCHOOL Board has the responsibility on behalf of the school community to review and recommend fee levels. The key factors taken into consideration when adjusting fees include inflation of operating expenses, staff compensation, and growth and profit targets. The Board in carrying out these duties will make every effort to ensure that the prescribed fees are reasonable and communicated in a timely manner to allow parents to plan for their school fees budgets. A minimum of ONE months' notice for any increase in fees shall be adhered to by the Board.

Confidentiality

All matters relating to school fees reductions or inability to pay are treated confidentially.

Billing Schedule

At the end of every academic term Pupils shall be issued with a Fee Note/Invoice/Fee Structure indicating the fees due for the next academic term. This affords parents ample time to make arrangements to settle the fees. Parents have the option of settling the fees in the following 3 ways:

- Full payment of the **Discounted fee** payable during the School Holidays;
- Full payment of **Normal Fee** payable by 50% at opening and 50% during half term;
- **Where applicable, Late Fee** payable within a designated period and/or by installments but by the deadline spelt out in the termly newsletter provided at the end of a particular academic term. If by installment for boarders upon payment of at least 50% of the fee in 3rd option by the opening date and the balance in full by deadline given. No child will be allowed in school at the opening before paying 50% of the fee and allowed back to school after the deadline before settling the balance.
- **NOTE that except for new pupils, all continuing pupils must pay 50% of the fee before or at the opening to secure admission in school at the beginning of the term. Kindly note that it is cheaper to pay your school fees during the holidays as the Late Fee is expensive. Also note that the Board is strict on deadlines set out. Any pupil with outstanding fees by the due date will not be allowed to sit for end term exams and if the school closes before full payment the Board reserves the right to refer the matter to court for the term's full fees and also refer the parent to the Credit Reference Bureau besides being discontinued from school.**

Newly Admitted Pupils
